### ADVANCE NOTIFICATION OF HIGHWAY DRAINAGE WORKS

Ringway on behalf of Hertfordshire County Council will shortly be carrying out highway drainage works on Gipsy Lane, between Park Lane and Orchard Way as well as various locations in Orchard Way.

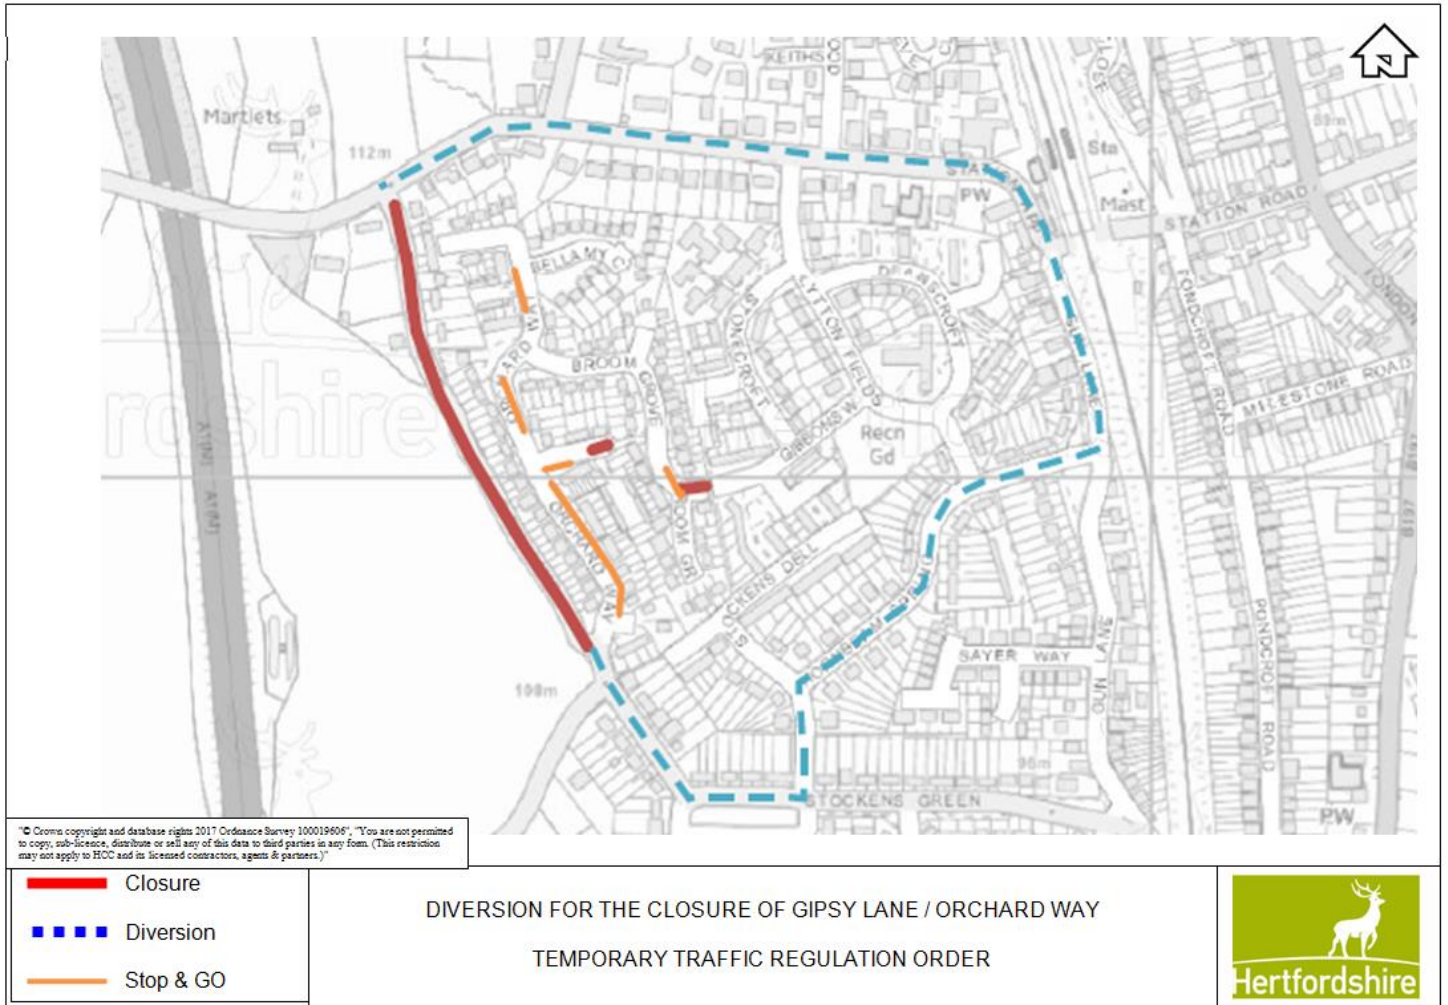

The purpose of the works is to improve the drainage infrastructure along Orchard Way & Gipsy Lane and mitigate reported highway flooding.

The works are due to **start on Monday 20<sup>th</sup> of November for 7 weeks**. However, due to the complex nature of the works, the first 4 weeks of works in Gipsy Lane will be completed under a 24hr road closure. The remaining 3 weeks of works will be managed under localised traffic management along Orchard Way.

Access for residents will be maintained but you may encounter delays. Pedestrian access will not be affected. Whilst access to emergency vehicles will be maintained at all times, other vehicular access will be restricted during the works duration.

We request that vehicles are **not parked** on the carriageway within this area during the times shown. This will allow the Contractor easy access to the road surface so the works can be undertaken as quickly as possible.
